Call To Action

Early Voting Begins - 20 Sept 2024

Veterans & Veteran Supporters - Call to Action

You have served in the armed forces to protect and defend the principles of democracy including, importantly, the right to vote. Registering to vote is obviously Step one. But deciding to vote early, whether absentee or in person, is equally important. As a Veteran, you can then participate in activities designed to encourage others to actively participate in the democratic process to uphold the values you defended, safeguard the integrity of our system and honor the sacrifices veterans have made to protect our democracy. **Don't wait for the fourth quarter on Election Day to get in the game. VOTE EARLY !**
