

# American Veterans Vote Volunteers

## Thank you for your interest in becoming an AVV Volunteer with our Logistics Team

### Our Purpose

The AVV Logistics Team handles accounting, storage distribution and re-stockage of AVV campaign materials, event support equipment, and member support items to service AVV regional needs.

### Your Tasks

As part of a team, you will store, supply, and, when, necessary, deliver and set up AVV material support items for AVV event sites or member activities. As needed, you will help in the recovery, storage, inventory, and replenishment of AVV materials. You will generate requests for replenishment to AVV Headquarters when necessary.

### Where / When

Logistics support is generally organized around regional team activities, their calendar, and their requirements. Replenishment purchases and shipment are handled by AVV headquarters for delivery to regional storage locations.

### Time Requirement

2 – 4 hours per regional event; 1 hour to inventory monthly

### Other notes:

Material storage and transport easily done in an average SUV or truck bed. Weather protected storage and transport is needed given the predominant paper and cloth items.

All financial transactions involving these materials are handled by AVV headquarters. Average delivery consists of boxed items – average weight per box is 15 – 20 lbs.
